# THE ESSENCE OF
# *QURAN*

In the Name of Allah, the Beneficent, the Merciful

Praise be to Allah, the Lord of the Worlds

The Beneficent, the Merciful
          Master of the Day of Judgement

Thee (alone) we worship :
          Thee (alone) we ask for help
                    Show us the right path,

The path of those whom Thou hast favoured :
          Not (the path) of those who earn Thine anger
                    nor of those who go astray.

Aameen!

# A BRIEF HISTORY OF AMES

The Ambur Muslim Educational Society (AMES) was founded in the year 1905 which made a humble beginning by starting a small elementary school for boys has now grown well to an extent of having of following institutions to its credit:

1. Mazharul Uloom College (Shift I & Shift II)

2. Mazharul Uloom Higher Secondary School

3. Mazharul Uloom Primary School

4. Mazharul Uloom Coaching Centre for Women

5. Hasanath-e-Jaria Girls Higher Secondary School

6. Hasanath-e-Jaria Girls Primary School

7. AMES College of Education

Islam has given immense importance to education and spreading of knowledge. Prophet Mohammed (Pbuh) has stressed the need for having education compulsory through many of his sayings such as

1.Seeking education is compulsory for both men and women

2. The ink of the scholar is holier than the blood of the martyrs

3. Grasp knowledge even if it is available in China.

The educational backwardness of the Muslim community moved the altruistic heart of the tireless social activist, Janab T. Abdulah Sahib, who thought of doing something to improve the condition. With the support of some prominent Muslims, he started Madrase-e-Mazharul Uloom, a small school meant for students of all communities without any discrimination. However, his primary intent was to uplift the Muslim Community educationally, economically and culturally. He was rightly honored with the appellation "Sir Syed of Ambur".

The caravan of the AMES with its dedicated team is on the

march transforming the society to take up to modern education for their future betterment and make our country India, stronger.

AMES celebrated its centenary in grand manner on 4th, 5th and 6th September 2006 at the Mazharul Uloom Higher Secondary School premises and the then President of India Dr. A.P.J.Abdul Kalam inaugurated the function, interacted with the students who had gathered them from different institutions and delivered his inspiring speech.

# MAZHARUL ULOOM COLLEGE, AMBUR

"Mazharul Uloom" means the threshold of knowledge or the fountain of knowledge. It refers to the source from where knowledge flows.

The **College Motto is "Striver Secures Success"** and its emblem has four symbols in it- crescent, lotus, book and torch symbolizing growth, knowledge, source of learning and light dispelling darkness of ignorance respectively.
